The Gantt chart illustrates the execution of a program with 26 instructions. The chart is divided into four rows, each representing a different instruction. The instructions are: 24 (S, 00s1), 11 (Mon, Warren LYNCH, LOSS, 00s2), 10 (10s1, Time: 2:19, 8 Mon, Sebastian ROBOTOM, 3), and 8 (8 Mon, Sebastian ROBOTOM, T 10, 11). The chart shows the execution of these instructions in a sequential manner, with the time taken for each instruction being indicated by the length of the bar.
